Item 1, Preparation for the Selection Races

The committee discussed this item for over an hour.

A list was compiled of parties who were considered qualified to carry out the various tasks required for a successful race, including course design, judging, and so on. Members of the committee undertook to contact each party and invite them to a meeting, to be held on Thursday the 9th of March, at which the final allocation of tasks could be agreed.

Item 2, 2017 Selection Application Form

A draft selection application form had been circulated prior to the meeting.

Once decisions were made regarding the entry fee for the selection races and the Irish Open, it was agreed that a final version be distributed to athletes as soon as possible.

Item 3, Application for pre selection

One application for preselection was received from Liam Jegou, who requested that he be pre selected in C1 as he is currently suffering from a femoral acetabular impingement injury. Liam will compete at selection in K1.

In view of the fact that the injury prevents Liam from competing at the selection races in C1, coupled with his track record of achieving excellent results in international competitions, the committee agreed to grant pre selection in this instance.

Proposed by: Ciarán Farrell

Seconded by: Colm Ryan

The motion was passed unanimously.

Item 4, Revision of the Constitution

Pat Hendrick provided a draft of the Constitution which he had updated in line with the discussion held at the AGM.

Following clarification on a few minor points, Pat will finalise the document and distribute it by email to the committee for final approval.

The meeting was brought to a close by Dermot Morley, Chairman, at 11:10 pm
