

Equipment List Required for Award:

Essential Coastal Navigation

Equipment Required by Participants

- Compass (marine type) or other suitable type
- Pencils and rubber
- Notebook
- Other recommended equipment: Dividers, Breton plotter, Oileain, Sailing directions, Almanac and tide tables

Equipment Provided by Tutor for Coastal Journey Planning

- Breton plotters
- Parallel rules
- Dividers
- Pencils / sharpeners / erasers
- Pilot
- Sailing Directions / Sea Kayak guides
- Charts
- Almanacs or tide tables for standard ports (see ISA website)

The ISA provide a training pack for the Small craft Navigation course which has extracts of the sailing directions, almanacs in addition to training charts at various scales for the Irish coast, which is a useful teaching resource.
